Dear Potential Sponsor,

Thank you for your interest in sponsoring an AAYSA sport team. We represent area youth, from kindergarten through 8th grade and provide them with opportunities to play baseball, softball, t-ball, football, flag football, cheerleading, drill team, basketball and soccer. Donations from sponsors like you are essential to offset the costs of equipment, facilities and referees as well as allow children to participate who otherwise may not be able to afford it.

Your name may be placed on team shirts and/or banners if you so choose. We are pleased that you want to be associated with our mission of providing our children the opportunity to learn and grow through sports. We strive to promote the development of strong character, high self-esteem, good attitudes, a sense of responsibility and citizenship through the act of team sportsmanship.

If you would like to sponsor a certain team and sport, please provide that information below as well as how you would like your name printed on the shirts and/or banner.

Sincerely,

John Brogdon
President

Dan Wroe
Vice President

Suzanne Hopkins
Secretary

Kasi Reynolds
Treasurer

Julie Hay
Communications Director
