

**AUBREY AREA YOUTH SPORTS ASSOCIATION**  
**Parents' Agreement**

**As a parent or guardian of a child or children participating in an AAYSA sport, I agree to the following:**

⇒I agree to read and abide by all rules and regulation of all sports set forth by AAYSA.

⇒I acknowledge that these are children playing games with other children and that I will not put undue pressure on them to win at all costs, or live my sports dreams vicariously through them. I understand that though I might have been an exceptional athlete, my child might not possess that same ability or desire that I had and I will do my best to just let them play and have fun.

⇒I understand that these are team sports and I will help reinforce with my child that the important thing is to learn how to become a contributing member of a team regardless of what position they play.

⇒Although the coaches will try to accommodate the child's request to play certain positions, it is not guaranteed that they will get to do so. I will reinforce with my child that every position on every team is equally important.

⇒I understand that all children are capable of misbehaving and that I give the coaches the authority to set rules as to what behavior is expected from the children while at a practice or a game and enforce consequences if those rules are broken.

⇒I understand that if my child is consistently absent from practice without a coach being notified, they are not guaranteed playing time in the next scheduled game.

⇒I agree that there is a limited amount of time to practice as a team and that I will attempt to work with my child outside of practice where possible to help improve their fundamental skills.

⇒I agree that I will not interfere with a coach or a team in a practice or game by calling my child away from the rest of the team to instruct or reprimand them.

⇒I agree that unless my child is in danger of imminent physical harm, or the coach, a parent, or another player is in such a gross violation of the rules that is obviously detrimental to the children, I will not step onto the field of play during any sporting contest unless specifically authorized to do so by a coach or official.

⇒I agree to refrain from yelling, heckling or verbally abusing any coach, official, player or other parent during a game or practice and that if I do so I will be removed from that game and face further disciplinary action from the AAYSA Executive Board and/or the Sport Board and that can include probation, suspension and permanent exclusion.

⇒I understand that the coaches are trying to teach my children fundamental skills and how to have fun in sports and not just babysit them for a few hours each week.

**Please check these boxes to confirm that you understand and agree:**

I understand that the coaches, commissioners and all board members of the AAYSA are all volunteers and can't do everything themselves and rely on parents to volunteer their time, money and skills.

I agree that when possible I will help the team and the association where needed with concessions, gate duty, post game clean up, field duty in order to make this a better organization for everyone.
