

AUBREY AREA YOUTH SPORTS ASSOCIATION
Service Agreement

As a parent or guardian of a child or children participating in AAYSA Football, Cheer or Drill Team, I agree to and understand the following:

- I understand that AAYSA fall sports program requires significant service hours to complete all the tasks of running the program.
- I further understand that my service is required to make the program a success.
- I agree that if my schedule doesn't allow for providing service to our sports organization that I will pay the required service fee.
- I agree to provide up to four (4) hours of service or pay a service fee of \$100.00 for each participating child.
- I understand that I will be billed this service fee if I agree to provide service and fail to do so. Payment of this fee will be required prior to further participating of your child or children in AAYSA Sports

The required service work is not difficult and you will be assisted by others familiar with the tasks needed. This service work could include but is not limited to: being a team mom, gate duty, concessions, announcing games, running chains, marking the field prior to the games or trash disposal during and after games.

Check One:

I agree to provide 4 hours of service to the AAYSA Fall Sports Program for each participating child

I am not able to help out at this time but I will pay the \$100.00 fee for each child
