

AUBREY AREA YOUTH SPORTS ASSOCIATION SCHOLARSHIP APPLICATION

The AAYSA was created in 1992 to give the youth of the Aubrey area the opportunity to learn and participate in team sports. The association believes that the experience received while participating in sports give a child the chance to develop, improve and excel in many different ways.

It is the association's desire that any individual who has participated in any program of the Aubrey Area Youth Sports Association, and who is graduating from any high school, be eligible for a **\$250.00** scholarship. It is required that the student must be planning on continuing his/her education at an institution for higher learning. The scholarship funds must be applied to any financial expenses associated with the registration process at a college or university.

Complete the following information and write a brief paragraph of 250 words or less on what you learned about yourself by playing sports. Mail your completed application and essay to:
